#### **18 Years of Discovery**

On February 14, 2000, Discovery Suites opened its doors to showcase a Filipino brand of hospitality in Ortigas, where only a handful of players existed. Ortigas has significantly grown since, as more hotels popped up in once empty blocks. Discovery Suites Manila thrived to adapt to, keep up with, and grow with Ortigas throughout its dynamic evolution. Today, 18 year old Discovery Suites ranks in the Top 3 of 22 hotels in Pasig on Trip Advisor.

22 Prime, Discovery Suites' flagship restaurant and one of the premier steakhouses in Ortigas, opened in 2008. 10 years in, and the steakhouse has been regularly listed in Philippine Tatler's Best Restaurants since 2008, not to mention being listed in the Philippines Miele Guide in 2010 and 2011.

Discovery Suites continuously strives to make fruitful and delightful stays for business travelers by giving them a true pulse of the city with trips to Greenhills, Salcedo Market, Pinto Art Museum and the like. This is one of Discovery Suites' many efforts in upholding its signature Filipino service, making guests feel both at home and like family.

Its well-deserved standing comes with Trip Advisor Certificates of Excellence through the years, the most recent being 2017. Hotels.com also awarded Discovery Suites with the "Loved by Guests" recognition this 2018.

The success of Discovery Suites paved the way for The Discovery Leisure Company's further growth with the founding of Discovery Country Suites in Tagaytay, Discovery Shores in Boracay, Club Paradise in Coron, and Discovery Primea in Makati. Also set to be launched are two new Discovery hotels in El Nido and Benguet.

2018 marks not only Discovery Suites' 18 year anniversary, but a whole new era of innovations, possibilities, and success in making the Filipino brand of hospitality known to the world.
