Sustainable Seafood & Wine Pairing at 22 Prime

Dine with heart at 22 Prime as it launches an elaborate Sustainable Seafood Menu featuring artisanal fishing seafood products, in partnership with Meliomar Sustainable Seafood Solutions. The special line-up is paired with a choice of Renmano Chairman's Selection Cabernet Sauvignon or Chardonnay, or Anakena Sauvignon Blanc.

Start off with an appetizing **Seafood Volute** with Saffron Foam served Parmesan Herbs, followed by a fresh **Mackerel Fish Carpaccio and Spanner Crab Fritters** with Compressed Fennel Salad, Micro Greens, and Seaweed Pepper. The main course is a succulent **Surf and Turf**, Sous Vide Fillet Mignon and Grilled Selva Prawns, with Cauliflower Puree, Baby Carrots, and Mushroom Dust, served with Truffle and Garlic Compound. Head on to dessert with a delightful **Fresh Strawberry Soup** with Grilled Peaches and White Chocolate Mousse.

Sustainable Seafood

The Discovery Leisure Company envisions that all menus across their hotels and resorts will serve only seafood sourced from sustainable fishing by 2020. An effort to address seafood depletion and artificial seafood cultivation, artisanal fishing involves small scale fisheries that perform natural breeding and traditional fishing techniques, having low impact on aquatic habitats and high catch selectivity. Hence, not only is the aquatic environment preserved, but also are the seafood products organic and fresh.

This Sustainable Seafood Specials and Wine Pairing promotion runs October 1 until October 30, 2017. Delight in these sumptuous seafood specials while supporting a good cause for the country's aquatic environments and noble fishermen.

22 Prime at the 22nd floor of Discovery Suites, 25 ADB Ave., Ortigas Center, Pasig City, Metro Manila, Philippines, and is open daily from 11:00 AM to 11:00 PM.
