

Seasonal Sensations: A Festive Journey Of The Senses

Embrace the magic of the holidays with Discovery Suites as it unveils an array of experiences to ignite the senses and spread festive cheer. From hampers brimming with gifts, delectable dining experiences to luxurious staycation options, Discovery Suites is set to captivate guests with Seasonal Sensations: A Festive Journey of the Senses.

Sense of Sight

The hotel's 25-ft Christmas tree embellished with blue, gold and rose gold ornaments is one of the tallest, if not the tallest, among hotels in Ortigas Center. It is an opulent holiday centerpiece of this year's celebration, bedecked with shimmering lights and trimmings evoking the magic of the season. The grand display is the perfect representation of how iconic and timeless Discovery Suites has become in creating memorable experiences during the year's most wonderful season.

Sense of Hearing

The tree lighting event officially opened with world-class harmonies and carols by the Minstrels of Hope. A playlist of classic local and international carols will be played in the hotel until early January to keep the cheerful holiday spirit alive.

Sense of Taste

Savor the magic that the season brings with an expertly-crafted range of holiday hampers, homemade pastries and desserts from Sweet Discoveries, a selection of celebration platters made for entertaining, and indulgent dining experiences and menus from 22 Prime and Restaurant 5. Every bite is a taste of happiness and celebration, perfect for gatherings and cozy moments with your loved ones.

Sense of Smell

Close your eyes, take a deep breath, and embark on an olfactory journey you have never experienced before. Each home fragrance and candle is a passport to new destinations, reminder of a cherished memory, or a glimpse into the future. We have the perfect line up of bespoke scents that are ideal for gifting, in collaboration with Filipino perfumer, Oscar Mejia III.

Sense of Touch

Escape the ordinary and immerse yourself in the warmth of Discovery Suites' signature Service That's All Heart. Book a Suite Holiday Retreat with rates starting at PHP 5,500 nett per night, inclusive of buffet breakfast and 15% discount on food and beverage.

Since it is the season of giving, it's all about touching lives as Discovery Suites partners with Bakhita Canossa Foundation, creating a significant difference in the lives of the youth. This is our way of supporting the foundation in its selfless commitment to make Jesus known and loved by uplifting human

conditions through education, mentorship, and community development programs that empower our next generation.

Be part of this meaningful initiative by sharing your blessings in cash or in kind (sports materials, school supplies or food packs). All proceeds will be used to support developmental programs and provide resources for underprivileged youth in Tondo and Bataan.

“At Discovery Suites, we believe that the holiday season is not just a date in the calendar, but a feeling that warms the heart and ignites the spirit. This year’s theme, “Seasonal Sensations: A Festive Journey Of The Senses”, offers a multi-sensory experience that promises to captivate your sight, hearing, smell, taste and touch through a symphony of well-curated holiday delights.

As we prepare for this exciting journey, we want to extend our deepest gratitude for choosing us as your home not just for the holidays but all throughout the year. Our commitment to making every experience memorable is as strong as the senses awakened by the beauty and wonders this festive season.”, said Carlo Cruz, Hotel Manager.
